

## **ANNUAL GIVING CAMPAIGN 2021-2022**

*What about SCSC's Mission brings value to the life of your student and your family?*

Dear SCSC Families and Friends,

What a thrill it has been to have all of our students together for in-person instruction after last year's hybrid experience! We are grateful that we were able to adapt last year and we are celebrating this year's return to our roots of providing a hands-on, experiential, and an inclusive learning environment for our students and teachers. We are also grateful to be able to invigorate our vital connections with families.

This year starts with the notable absence of our founder, Wendy Ormsby. Coming into the school year, we are intentional about finding ways to keep Wendy's spirit ALIVE and KNOWN in our wider school community. For both new and veteran families, Wendy Ormsby's vision and passion are woven into all that we do each day. We share with you the following link for more details: <https://www.scsc4kids.org/domain/1023>

**We think of Wendy's vision and the mission she and the other founders created as the MAGIC SAUCE of SCSC!**

**The ingredients for this magic sauce are:**

- Individualized and Inclusive education
- Hands on/Experiential Learning
- Strong Family and Community Relationships
- Adult Learning

**This year we ask that you indicate what you value most about SCSC's mission. You can earmark your ANNUAL GIVING contribution to support the tenet you value most. The Board supports them all and has raised \$10,000 to match all donations received by December 31, 2021 at 150%! So if you give \$100, the Board will give \$150 and your gift is now worth \$250!**

Our ANNUAL Giving Campaign is about participation and inclusion, therefore a contribution of any amount adds value and is appreciated. We invite you to indicate if you would like a portion of your donation to be earmarked for the tenet that you most value.

**We sincerely thank you for considering a donation to SCSC!**

**SCSC Board of Trustees, Directors, Faculty and Staff**

*Does your company match contributions? Past annual giving campaigns have greatly benefited from these matches.*

*Last year, our campaign raised \$35,000. Donations can be made by check or cash to SCSC or press the donate button on the weekly newsletter or website:*
