

SCSC Celebrates Fred Rogers Day 2019

On May 23rd, SCSC celebrated Pennsylvania's own Mr. Rogers. This year, Governor Tom Wolf, declared 5/23 as Fred Rogers' Day - as an honor to a true hero to millions of children. Wearing our cardigans, sneakers and ties (just like Mr. Rogers) we by spanned out through "our neighborhood". Channeling his belief that "neighborhoods were places where when you feel worried, scared, or unsafe would take care of you", we were able to make connections and offer our thanks to many people and businesses. Internally, our Seasons' students sent out a personal thanks to all of our staff members.

Thanks to our families for sending in canned goods, locating cardigans and neckties and supporting our Fred Rogers crews. It was a MAGNIFICENT day!
