

SCSC Hosts Art Show at Indian Valley Public Library

Ms. Jen and Mr. Jeff were very excited to host the SCSC Student Art Show opening night at the Indian Valley Public Library, which will be on display through November. The opening night was a great success! It was wonderful to see so many families come out to show their support of our amazing K-8 artists! Thank you to our school community and to the Indian Valley Public Library for helping us make this such a memorable occasion. We hope to make this a lasting tradition for many years to come!
