

Truffulas Community Helpers Presenters

Doctors, lawyers, police officers... oh my! These are just a few of the many community helpers that have presented to the Truffulas in conjunction with our government and community unit. Here are some clues for our next group of presenters:

- Who works with sick animals?
- Who helps people manage their money?
- Who follows a plan to build a building?
- Who works with children of all ages to help them find materials to read for pleasure?
- Who works with children and young adults to help them learn?

Thank you to everyone in OUR community for visiting our school and sharing about your job with our students! We have been learning so much!
